Course Title:	Certified Welding Inspector (CWI)
Category:	AWS preparation Courses
Course Code:	KIT-403
Duration:	11 days
Certificate:	Attendance certificate
Exams:	For hold CWI certificate exams scheduled at AWS Website

Days	Course Title	Lecture Topic		Duration (Hours)
1	Certified Welding Inspector	- Welding Inspection and Certification - Safe Practices for Welding Inspectors	Lecture	3
2		Metal Joining and Cutting Processes	Lecture	3
3		Metal Joining and Cutting Processes (Cont'd)	Lecture	3
4		- Welding Joint Geometry and Welding Symbols - Documents Governing Welding Inspection and Qualification	Lecture	3
5		Metal Properties and Destructive Testing	Lecture	3
6		- Metric Practice for Welding Inspector - Welding Metallurgy for the Welding Inspector	Lecture	3
7		Weld and Base Metal Discontinuities	Lecture	3
8		Visual Inspection and Other NDE Methods and Symbols	Lecture	3
9		API Codes and Standard 1104	Lecture	3
10		Practical Lab on Welded Samples	Lab	2
11		General & Specific Exam	Exam	1
				Total
				30
